

**Klamath Trinity Joint Unified School District & Eureka City Schools  
Grade 3-5 Participating Teachers Agreement  
Pertaining Services Provided by  
North Coast Arts Integration Project**

Eureka City Schools (ECS) and Klamath Trinity Joint Unified School District (KTJUSD) agree to a partnership for coordination of the **North Coast Arts Integration Project (NCAIP)** during 2015-16 and 2016-17 school year. To achieve the goals of the project:

**ECS and KT Teachers will:**

1. Participate in 36 hours of NCAIP professional development.
2. Complete beginning and end of year questionnaire.
3. Participate in collaboration and classroom follow-up discussions with NCAIP staff.
4. Attend monthly meetings during 2016-17.
5. Implement at least 1 arts integration lesson or strategy per month.
6. Submit one reflection or assignment per month via Google classroom during 2016-17.
7. Allow classroom data collection by NCAIP staff to occur several times per year.
8. Maintain timely email communication with program staff.
9. **(Site leaders will)** help to schedule and organize monthly meetings
10. **(Site leaders will)** deliver one professional development or write an arts integration lesson plan
11. **(Site leaders will)**-be contact person/ organize activities as needed
12. **(Site leaders will)** be the liaison with the tech department as needs arise with the tablets

**Staff will:**

1. Provide stipends to teachers who complete the requirements of the project and prorated stipends to those who do not. Specifically, \$500 for each participating teacher to be paid in June 2016, and June 2017. Site Leaders will receive an additional \$500 in December 2016.
2. Provide professional development, facilitate collaborations with teaching / visiting artists and support classroom arts integration projects.
3. Maintain participation records of all participating teachers.
4. Provide participating teachers a tablet computer for professional use to keep after completion of 2 years in the project.
5. Support student learning and teacher participation in the project by facilitating teaching practice reflection.

*Side of this scope will be contracted separately. Continuation of the contract will be based on criteria.*
